

Elevated HR

is a partnership of experts offering a full service HR solution for our clients, in order to service the demands of the legal Cannabis Industry.

280E Staffing Model

Elevated HR has an innovative solution for allocating time and creating a payroll audit trail for 280E deductions.

- **\$100,000 savings on a \$6M annual payroll!!**

Payroll Management

Elevated HR will manage the process from time sheet entry and/or invoice collection to direct deposit so you can focus and perform the functions that are needed to grow and manage your business.

- Payroll and tax administration
- Workers compensation
- Unemployment and liability insurance
- Employee healthcare benefits
- Employee retirement plan administration

Recruiting & Staffing

We have turned the traditional staffing model upside down! We can help you recruit and hire permanent or temporary workers on an hourly fee basis.

- Our average cost/temporary worker is **\$75**, regardless of how many hours they work. This means, if your trimmers work more than 12 total hours, you are saving money over other traditional staffing firms.

Intranet & Training Delivery

We can offer you Home Page, a customizable intranet to connect your employees, store your SOPs for searchable easy access, along with training delivery and reporting.

Human Resource Administration

Elevated HR provides full service human resource and support services to ensure our clients are compliant while maximizing their investment in their personnel.

- Custom HR compliance programs
- Recruiting and hiring optimization
- Training and standard operating procedures
- Culture and team building
- Leadership development

Regulatory Compliance Audits & Banking Solutions

Elevated HR has multiple Cannabis friendly banking relationships. As part of our payroll contract, we can introduce you to a bank.

If you are interested in "full service" banking support, for an additional fee we can assist you with:

- Application completion
- Compliance Audits
- Employee Training Support

Additional Services

- Secured cash pickup and transportation
- Bookkeeping services
