Press Release

Witlon, Inc. Joins Green Mountain Solutions in Elevated HR

Denver, CO, February 23, 2016 - Witlon, Inc., a full service administrative services company for the cannabis industry, today announced it has joined Green Mountain Solutions in Elevated HR, a partnership of experts offering a full service HR solution to service the demands of the legal cannabis industry. Elevated HR offers a 280E staffing model, payroll management, recruiting & staffing, intranet & training delivery, human resource administration, regulatory compliance audits & banking solutions, and additional services such as secured cash pickup and transportation, and bookkeeping.

"This partnership is designed to provide cannabis related businesses with professional and trustworthy HR, payroll administration and banking solutions," said Nicholas Murer, CEO of Witlon, Inc. "Tools and services available from Witlon and Green Mountain Solutions through Elevated HR enable businesses to operate efficiently and maintain compliance while maximizing their investment in their personnel."

"We are so excited to be working with Witlon," said Courtney Meyers, Co-Founder of Green Mountain Solutions. "Witlon brings an exceptionally high level of professionalism and competence to the table. Legal cannabis related businesses are now able to prevent a number of costly compliance and/or accounting errors and organizational friction by utilizing Elevated HR solutions."

Witlon Inc. is an administrative services company providing payroll management, human resource implementation, accounting solutions, recruiting and staffing, product representation, and construction and maintenance project management. Witlon supports the legal cannabis industry by providing customized solutions to help clients grow their business and execute operations. Visit www.witloninc.com for more information on Witlon.

Green Mountain Solutions provides Human Resource systems, software, training and consulting services. Green Mountain offers a complete, integrated, robust set of tools and services that cover recruiting, hiring, orientation, employee development, and management in some of most regulated industries in the world.
