

Compliance Services

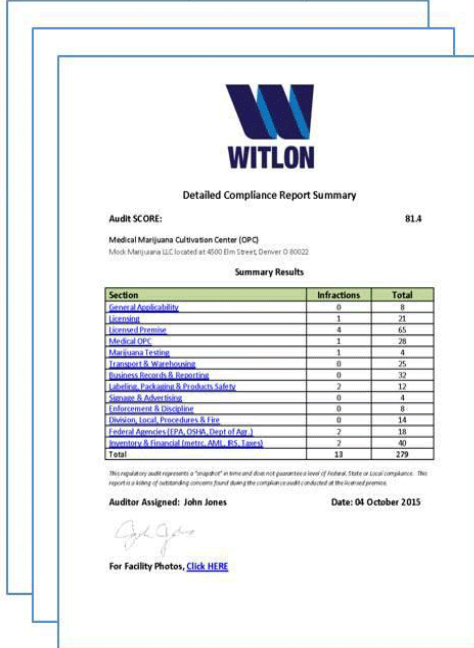

Are you compliant with more than 250 regulatory checkpoints? An operational license is the privilege to sell, cultivate or manufacture marijuana. Don't risk your business and revenue with poor compliance. Witlon provides the most thorough regulatory compliance audits and scores in the cannabis industry:

- **Federal Agencies:** IRS, EPA, OSHA, Dept of Labor, Dept of Agriculture, FinCEN, etc.
- **State & Local Regulations:** Licensed Premise, Building, Fire, Labeling & Packaging, Transport, Revenue, Inventory Reconciliation, Public Health & Safety, Security, Business Records Required, Surveillance, etc.
